Meeting Notes

- This was an ad hoc, off schedule meeting to discuss a Town Council presentation by the Comprehensive Plan Committee scheduled for August 21, per Elizabeth Peters.
- Ted presented his draft outline for slides.
- The team agreed to produce a document that we would provide to Elizabeth.
- Ted planned to adjust the content and distribute as early as August 8.
- Patricia would edit and distribute to the team and ultimately to Elizabeth.
- The document could serve as our presentation and we will attend the meeting.

Update: Ted, Patricia, and Kristin attended the Town Council meeting being held this same evening via Zoom. Pat L. and Penny attended in person.
