

Nonpoint Source Pollution BASIC TRAINING WORKSHOP REGISTRATION FORM

The Town of Winthrop Code Enforcement Officer Training and Certification program will sponsor a training workshop on Nonpoint Source Pollution. It is voluntary for those involved in soil disturbance activities in Maine; However, Within the Shoreland Zone, a Certified Individual must be on site during all phases of soils disturbance. This will give you the resources to obtain that certification in Nonpoint Source Pollution. The class will be held at 1703 US Route 202 Winthrop, ME. Individuals seeking certification will find the workshop and materials helpful in preparation for the certification exams.
