BID SUBMISSION REQUIREMENTS

1. PURPOSE

The intent and purpose of this Invitation for Bids (IFB) is to establish price agreements (labor, fixtures, and materials inclusive) for the replacement and/or retrofit of approximately 600 existing light fixtures with LED smart-technology for Town buildings, a park and decorative lighting.

2. PROCESS

- A. Each bid shall be on the forms provided and be signed by a person authorized to bind the entity to the proposed contractual agreement.
- B. Each bid shall be delivered to the place specified below and no later than **February 14, 2024, at 4PM** to:

Winthrop Town Office
17 Highland Ave.
Winthrop, Maine 04364
ATTN: Deb Nichols
- C. Each bid shall be submitted in a sealed envelope clearly marked with the Vendor's name and "Winthrop LED Light Conversion" on the outside. Electronic format of bids will not be accepted.
- D. Bids shall consist of three (3) copies of the following:
 - a. Response to Bid Requirements
 - b. Names and contact information of three (3) entities for which the Vendor has completed projects of similar scope and/or size, to illustrate the ability to perform the scope of work described herein.
 - c. List of proposed key personnel, titles, qualifications, applicable licenses, and experience.
 - d. Cut sheets and/or descriptions of the proposed LED light fixtures including information regarding the light quality, color, and temperature, controls, motion-sensor activation, dimming capability, and daylighting, and other smart technology features.
 - e. List of incentive programs/rebate programs to be accessed for LED light conversions to be applied to this project, including source, requirements, program details, and estimated total impact on the project costs (e.g.: savings). The intent is that this project be budget neutral.

- f. Proposed project implementation schedule, with milestones noted such as obtaining materials and equipment, installation schedule, testing and training, etc.
- E. The Vendor must complete the Town of Winthrop Conflict of Interest Bid Disclosure Form (attached).
- F. The Vendor must personally visit the locations prior to submitting a proposal. Contact Town Manager Anthony Wilson at manager@winthropmaine.org to schedule a visit.
- G. Bids that are incomplete, conditional, or obscure, or which contain any additions not called for may be rejected by the Town. The Town reserves the right to reject any and all proposals, or parts of proposals, when it is judged to be in the best interest of the Town. Any award is subject to [Purchasing Policy](#) guidelines as adopted by the Winthrop Town Council on Sept. 11, 2023.
- H. The bid must bear the written signature of the person who is duly authorized to bind the Vendor to the terms, conditions, and contracts associated with this IFB. If the Vendor is a partnership, the bid must be signed by the partner. If the Vendor is a corporation, the bid must be signed by a duly authorized officer or agent of such corporation.
- I. Bids received prior to the time established for the opening will be securely kept and unopened. No responsibility will be attached to the Town for the premature opening of a Bid not properly marked or identified.
- J. Any bid may be withdrawn or withdrawn and resubmitted on request of the Vendor up until the bid opening. Bids may not be withdrawn after the deadline.
- K. Unless otherwise specified, questions pertaining to general information regarding the project and/or interpretation of specifications during the bid period shall be addressed only in writing no later than February 7, 2024, at 4 pm. **No questions will be answered in-person or via telephone.** Questions shall be written and emailed to the following:

Anthony Wilson, Town Manager
townmanager@winthropmaine.org

4. WORK REQUIREMENTS

It is mandatory that the Vendor be able to meet the following requirements:

- a. Onsite work may begin upon execution of contract documents and notice from the Town.
- b. Have been in the business of LED light installation and retrofit for no less than 5 years under the current company name.

- c. **Be a Qualified Partner with Efficiency Maine;** be capable of coordinating and obtaining rebates and other incentives for the project from Efficiency Maine and any other relevant sources.
- d. Procure and maintain insurance for the duration of the project as described herein.
- e. Attend project meetings with the Town designee, as deemed necessary by the Town, to coordinate the project.
- f. Ensure proper waste stream management of any disposed equipment, fixtures, or materials.
- g. Use only licensed Maine electrical contractors who have the required training, certifications, equipment, and insurance to safely perform all electrical work.
- h. Provide a project schedule, and provide progress reports indicating the work completed relative to the project schedules throughout the project.
- i. Provide the Town with all manuals, guarantees, and/or warranties issued for the work, materials, and equipment installed.
- j. Provide the Town with any drawings or plans in hard copy and electronic format, with the format as determined by the Town.
- k. At all times keep the property on which work is in progress free from accumulations of waste materials or rubbish caused by the employees or by the work. Accumulations of fire hazard materials will be prohibited. Upon completion of the work, remove all temporary structures, rubbish and waste materials resulting from his/her operations.
- l. Meet all specifications for all labor, materials, equipment and installation of such items unless otherwise agreed upon.
- m. Notify the Town when ready for project-required inspections. Work shall not be covered, enclosed or otherwise obstructed in a means that prevents required or requested inspections.
- n. Bring to the attention of the Town any problems, issues, concerns with the proposed design, work, or construction on-site as soon as possible.
- o. Protect the property during the work. The Vendor will be responsible for all damage incurred due to improper or lack of reasonable protection.
- p. Deliver items, equipment, or materials to the work site only upon authorization by the Town.

5. BRANDS AND MANUFACTURERS

The Town will consider other products and processes of equal or greater quality than specified in the IFB documents and plans. The Town reserves the right to rule on the equality of items and processes compared to the items and processes called for in this IFB.

6. EXISTING CONDITIONS

Field measurements, drawings or descriptions, verbal or otherwise, of existing conditions are intended only as an aid. The Vendor will be responsible for verifying all existing conditions prior to proceeding with project.

7. CARE OF THE WORK

The Vendor shall be responsible for all damages to persons or property that occurs as a result of his/her fault or negligence in connection with the prosecution of the work and shall be responsible for the proper care and protection of all materials delivered and work performed until completion and final acceptance, whether or not the same has been covered by the Town. No security will be provided or paid for material or work stolen, lost, or damaged.

8. VENDOR'S PERSONNEL

The Vendor shall use only trained and properly licensed personnel who are directly employed and supervised by the Vendor, unless prior approval is obtained from the Town. The Vendor shall furnish an adequate number of personnel, and supervisors as required to ensure the work is performed in a safe manner that complies with all aspects of the IFB specifications.

9. EQUAL OPPORTUNITY COMPLIANCE

The Vendor shall comply with any and all applicable federal, state, and local laws, executive orders, and regulations prohibiting discrimination in employment. The Vendor shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, ancestry, age, gender orientation, religion, disability, or sexual orientation.

10. PERMITS AND INSPECTIONS

The Vendor will be responsible for obtaining any necessary state and local permits. The Vendor will be responsible to ensure necessary inspections associated with required permits are scheduled. Fees for permits issued by the Town will be waived where allowed. Any other permit fees will be the responsibility of the Vendor.

11. INSPECTION

The Town reserves the right to inspect any and all work in progress or complete. Any omission or failure on the part of the Town to disapprove or reject inferior or defective work shall not be construed to be an acceptance of such work. If any defective work is found, the Vendor shall cure the failure, at his/her own expense without extra charge.

12. CHANGE ORDERS

No additional work or changes in scope will be performed unless a signed Contract Change Order is duly authorized by the Town prior to being performed. The Town is not responsible for any work done prior to a signed Change Order.

13. WARRANTIES

The Vendor shall provide documentation of a 7-year warranty on the LED light fixtures installed. This warranty will ensure the product is free of defects in material and workmanship for the designated time period from the date of installation. The warranty must include 1 year of labor and service at no charge to the Town. All replaced parts must be new. The use of reconditioned, refurbished, repaired, or remanufactured products or parts is not permitted unless for retrofit. The Town must sign off on any fixtures in which retrofit is utilized.

14. CANCELLATION OF IFB, REJECTION OF BIDS

The Town reserves the right to cancel the IFB and/or reject any and all bids and/or to waive any informalities if deemed in the best interest of the Town to do so. The Town is the sole judge of its best interest.

15. CANCELLATION OF CONTRACT

The Town reserves the right to cancel and terminate the contract in the event that the services provided by the Vendor prove to be unsatisfactory. The Town shall be the sole judge of satisfactory performance consistent with the scope of work and requirements contained herein.

16. BASIS FOR AWARD OF PROJECT

Award of this project shall be made to the Vendor that provides a responsive bid at the lowest cost (cost less rebates/incentives) to meet the needs and serve the best interests of the Town. The Town, which intends the project to be budget-neutral, is the sole judge of its needs and best interests.

BID DETAIL REQUIREMENTS

- A. Provide the LED fixture installation price. This price includes the cost to remove and properly dispose of existing non-LED fixtures, install new LED fixtures that are compatibly sized to existing equipment. Where appropriate the LED fixtures will have smart technology, preferably including auto-dimming based on daylighting, motion sensors, etc.
- B. Disposal of existing equipment will be done in a safe and secure manner and in a certified disposal and recycling area.
- C. Provide electrical contractors' proof of previous performance with LED light conversions.
- D. Where retrofitting is most sensible, provide the price to convert the standard fixture to LED.
- E. Cost provided must include any software required. This cost must also include all necessary training for Town of Winthrop employees.
- F. Describe the plan to review existing light and work with the Town to select LED light fixtures that meet the needs of the space and its primary uses.
- G. Provide an estimate of the cost and savings expected from the conversion to LED fixtures, using the following format:

	Estimated Quantity	Fixture and Installation Cost	Estimated Incentive or Rebate	Net Cost Installed	Estimated Annual kWh reduction	Estimated Annual Energy Cost Savings	Estimated Reduction in CO ² (LBS)
Fixture Replacement							
Fixture Retrofit							
TOTALS

Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit cmpco.com or call us at 800.565.3181. To see how your Delivery Charges are impacted by Maine public policy, visit cmpco.com/PublicPolicyCosts.

What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

Sales-Tax Exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit cmpco.com for more information, or call 800.565.3181.

Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit cmpco.com or call us at 800.565.3181. To see how your Delivery Charges are impacted by Maine public policy, visit cmpco.com/PublicPolicyCosts.

What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

Sales-Tax Exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit cmpco.com for more information, or call 800.565.3181.
