

## Winthrop's 250th Limited Edition Lawn Signs are Here!

Starting Tuesday, June 8, stop by the Winthrop Town Office to get your very own lawn sign commemorating Winthrop's 250th birthday! For a nominal fee, you too can show your love for your community and support the town's Sestercentennial Celebration. To cover our costs, these are just \$12 per sign. Don't forget that when the year is over, your yard sign will have a little bit of historical value. Additionally, you will be supporting a local supplier from Central Maine as well, who assisted with the design and printing. Thanks to Peter Schutte Lawn Signs in Sidney.
